

**WE NEED TO TAKE ACTION AGAIN
TO GIVE THE GREAT BLUE HERONS
PERMANENT PROTECTION**

Contact CITY COUNCIL members again before their September 9 meeting! Urge them to step up and acquire ALL the remaining undeveloped property on Shorewood Drive next to the heron colony at Post Point to create a permanent, protected heron reserve.

Contact City Council members at ccmail@cob.org

Info: www.nwcitizen.com/page/herons

Hérons are a Priority Species regulated by the WA State Department of Fish & Wildlife and must be protected.
