

CITIZEN ALERT! SAVE THE TRAILS

A REFERENDUM FOR CITY VOTERS

PROBLEM:

The City is selling public rights of way - including trails - dirt-cheap to developers for extra density.

SOLUTION:

SIGN THIS PETITION TO CALL A PUBLIC VOTE on whether this practice serves the public good and Bellingham's future.

Should we preserve undeveloped right of ways for trails, open and green space, habitat and wildlife corridors to improve the livability and walkability of neighborhoods as Bellingham continues to infill and grow?

**GET MORE INFO. GET THE PETITION.
GET SIGNATURES. GET IT DONE!**

We have only until Sept 8th to gather 2,500 signatures from registered city voters. TIME IS OF THE ESSENCE!
